## IMPORTANT ACCOUNT INFORMATION

By selecting the monthly payment option, you have authorized American Home Shield® to automatically charge, to the payment method you have on file, each monthly payment for both your current Agreement and for any coverage we elect to offer you at the end of this Agreement term under our then-current terms and conditions. In the event AHS elects to offer you such continuing coverage, you will be notified of the terms governing such coverage at least thirty (30) days prior to the end of your Agreement term (as stated herein above). You may cancel your coverage or change your preferred payment method at any time by calling 1 855 569 9586.

### Some of your coverages may have changed or been removed. Please review the full details of your enclosed contract.

Your agreement has been changed to improve consistency of language and readability, along with revisions to the Requesting Service section of our agreement, standardizing our approach to all service requests and removing references to emergency and expedited service. As always, AHS will continue to deliver outstanding customer service, including making reasonable efforts to accommodate the specific needs of each customer.

Please note the following item has changed under the Trade Service Call Fee section of your contract: If a particular repair or replacement fails within 30 days, AHS will send a Service Contractor to repair the failure and you will not be charged an additional Trade Service Call Fee.

Your Trade Service Call Fee and/or Agreement Price have changed for contract term 01/24/2021 - 01/23/2022.
